

The EnGen logo is positioned in the top right corner of the header image. It consists of the word "ENGEN" in a bold, white, sans-serif font. The background of the header is a blue-tinted photograph of a person's hands typing on a keyboard in front of a computer monitor.

# EnGen Supports 69 Native Languages

EnGen is building tools for the future of language learning, ensuring more learners are able to participate than ever before. One of the ways we make our mobile-first, results-driven platform more accessible is with keyword and context translation features based on the learner's native language. In total, 69 languages\* are supported on the EnGen platform with more being added.

Here are all of the translatable languages we support on the EnGen platform.
